- ☐ Personally knocking on your neighbors' doors to invite them to attend and tell their friends

Captivating Pre-Listing Tips

Pre-listing tips is what creates a “wow factor” when a buyer walks through the door of your property. It’s what creates an emotional response and can often influence whether or not an offer is made.

It's in the Details

EYE-CATCHING YARD SIGNS

Coming soon. For sale. Just sold. You have certainly seen these signs throughout your neighborhood - and their purpose is clear: to create excitement and interest around a listing. While much emphasis is placed on online advertisement these days, many buyers still look for their next home the old-fashioned way - by simply driving around their desired neighborhood. Professionally designed signage and property fliers will market your home 24/7 and capture attention from highly qualified buyers looking specifically in your area.

YOUR LISTING, AMPLIFIED

When you list with me, we'll have access to the Keller Williams Listing System, or KWLS. This proprietary, exclusive system ensures your property is marketed online 24/7 through hundreds of the most popular search sites.

DOOR-KNOCKING

While online marketing is critical in today's business environment, sometimes nothing beats grabbing a pair of comfortable shoes, some fliers, and pounding the pavement. You can rest assured that if selling your property quickly and for the best price possible requires knocking on a hundred doors, I'll do it.

HIGH-QUALITY PROFESSIONAL PHOTOGRAPHY

Crisp, clear photos will make your property pop online and maximize visual appeal. I work with highly qualified, professionally trained real estate photographers who specialize in making your house look its absolute best.

3D VIRTUAL WALKTHROUGH AND VIDEOGRAPHY

3D virtual tours and/or video is at the heart of an effective digital marketing campaign and can provide a distinct advantage in a competitive market. We will discuss what is best for your home!

MASS MOBILE MARKETING

When you choose to work with me, your home will be listed on my mobile app and will be put in the hands of millions of buyers!

CLIENT TESTIMONIALS

"Piper is an excellent agent. I worked with her while I was relocating to Colorado Springs. She was diligent about monitoring new listings and helping us find properties that met our needs and were within budget. One thing I really appreciated about her was that she never made us feel pressured and was really patient with us. I always felt like she was on our side and had our best interest at heart. She took the time to explain things to us at every step of the process and was supportive during all the ups and downs of home buying. Piper is also super responsive and a wonderful communicator. In the future, whether I am buying or selling, I would definitely want to work with her again."

-Darci S.

"Piper and Michele Vigil did an amazing job helping us find our home. They are very flexible and were available on very short notice to look at homes. I know they both have other clients but they just went above and beyond to make sure they made themselves available. They both did regular check ins, we spoke to them probably everyday while we were actively searching for our homes. They gave great advice when we were putting in offers and are very knowledgeable in all aspects of the home buying process. I recommend both ladies to everyone searching for their home!"

-Melissa & Brandon D

"Piper Lange was brought to us by Zillow when I clicked a link to see a property. She got back to me immediately. She was able to see what properties I "favorited" and was quick to arrange several tours over the course of a few weeks to tour them. It took awhile for us to find a home we agreed on. Once we found one, Piper provided us with disclosed information about the home and drafted the offer. We got the home for \$5K above our original offer. She took care of many little details and provided several resources for us. Despite me getting frustrated at one point, Piper was always sympathetic, understanding and put a positive spin on the situation. I really enjoyed her buoyant personality. We have now closed and are moving in to start a new life in a quiet place with NO IMMEDIATE NEIGHBORS or city disturbances. She was forthcoming with information about every property including the one we settled on. I think she did a very good job for us. I was happy with my experience."
