- Placing a yard sign and directional signs on key corners, with balloons and riders (if allowable)
- Getting on the phone the morning of the open house to remind everyone about attending
- Scheduling other open houses in the area in various price ranges to attract the maximum number of interested buyers
- Distributing fliers, dynamic emails, and a lead-optimized landing page to actively drive buyers to your open house
- Personally knocking on your neighbors' doors to invite them to attend and tell their friends

Captivating Pre-Listing Tips

Pre-listing tips is what creates a “wow factor” when a buyer walks through the door of your property. It’s what creates an emotional response and can often influence whether or not an offer is made.

It's in the Details

EYE-CATCHING YARD SIGNS

Coming soon. For sale. Just sold. You have certainly seen these signs throughout your neighborhood - and their purpose is clear: to create excitement and interest around a listing. While much emphasis is placed on online advertisement these days, many buyers still look for their next home the old-fashioned way - by simply driving around their desired neighborhood. Professionally designed signage and property fliers will market your home 24/7 and capture attention from highly qualified buyers looking specifically in your area.

YOUR LISTING, AMPLIFIED

When you list with me, we'll have access to the Keller Williams Listing System, or KWLS. This proprietary, exclusive system ensures your property is marketed online 24/7 through hundreds of the most popular search sites.

DOOR-KNOCKING

While online marketing is critical in today's business environment, sometimes nothing beats grabbing a pair of comfortable shoes, some fliers, and pounding the pavement. You can rest assured that if selling your property quickly and for the best price possible requires knocking on a hundred doors, I'll do it.

HIGH-QUALITY PROFESSIONAL PHOTOGRAPHY

Crisp, clear photos will make your property pop online and maximize visual appeal. I work with highly qualified, professionally trained real estate photographers who specialize in making your house look its absolute best.

3D VIRTUAL WALKTHROUGH AND VIDEOGRAPHY

3D virtual tours and/or video is at the heart of an effective digital marketing campaign and can provide a distinct advantage in a competitive market. We will discuss what is best for your home!

MASS MOBILE MARKETING

When you choose to work with me, your home will be listed on my mobile app and will be put in the hands of millions of buyers!

CLIENT TESTIMONIALS

"I had such a pleasant and positive interaction with Eric, Shawn and Wendy while searching for my first home. Not only were all three of them willing to speak with me at all hours of the night, I am quite certain that there wasn't a single question or concern that I had that was addressed in less than 24 hours. The day I found a home go up on the MLS that I was interested in, I contacted Shawn and he got us in to see the home that evening, we put in an offer an hour later and our offer was accepted by 9pm - it all happened so quickly. I couldn't be more thankful for their help, their expertise and their overall caring nature about the importance of such a big new chapter for myself and my little one! I will be back when I'm ready for my next home, most certainly!"

Samantha, Colorado Springs, CO
