- Placing a yard sign and directional signs on key corners, with balloons and riders (if allowable)
- Getting on the phone the morning of the open house to remind everyone about attending
- Scheduling other open houses in the area in various price ranges to attract the maximum number of interested buyers
- Distributing fliers, dynamic emails, and a lead-optimized landing page to actively drive buyers to your open house
- Personally knocking on your neighbors' doors to invite them to attend and tell their friends

Captivating Pre-Listing Tips

Pre-listing tips is what creates a “wow factor” when a buyer walks through the door of your property. It’s what creates an emotional response and can often influence whether or not an offer is made.

It's in the Details

EYE-CATCHING YARD SIGNS

Coming soon. For sale. Just sold. You have certainly seen these signs throughout your neighborhood - and their purpose is clear: to create excitement and interest around a listing. While much emphasis is placed on online advertisement these days, many buyers still look for their next home the old-fashioned way - by simply driving around their desired neighborhood. Professionally designed signage and property fliers will market your home 24/7 and capture attention from highly qualified buyers looking specifically in your area.

YOUR LISTING, AMPLIFIED

When you list with me, we'll have access to the Keller Williams Listing System, or KWLS. This proprietary, exclusive system ensures your property is marketed online 24/7 through hundreds of the most popular search sites.

DOOR-KNOCKING

While online marketing is critical in today's business environment, sometimes nothing beats grabbing a pair of comfortable shoes, some fliers, and pounding the pavement. You can rest assured that if selling your property quickly and for the best price possible requires knocking on a hundred doors, I'll do it.

HIGH-QUALITY PROFESSIONAL PHOTOGRAPHY

Crisp, clear photos will make your property pop online and maximize visual appeal. I work with highly qualified, professionally trained real estate photographers who specialize in making your house look its absolute best.

3D VIRTUAL WALKTHROUGH AND VIDEOGRAPHY

3D virtual tours and/or video is at the heart of an effective digital marketing campaign and can provide a distinct advantage in a competitive market. We will discuss what is best for your home!

MASS MOBILE MARKETING

When you choose to work with me, your home will be listed on my mobile app and will be put in the hands of millions of buyers!

Having spent 20+ years in the mortgage industry in various roles, Michele brings value to her clients with in-depth behind the scenes knowledge of how underwriters review mortgage applications and applicant's documentation. In 2019, she obtained her Colorado real estate license and today enjoys the one-on-one relationships developed with her clients.

Fun fact: Michele considers herself a green chile aficionado and revels in sampling new varieties in restaurants, stores, and festivals along the Front Range. When not working, she savors free time with her daughter Ali, her dachshunds Grammy and Mattie, traveling, especially to visit family in South Carolina, taking naps, investing in real estate, and rooting for the Denver Broncos.
